

AI-India & ng-India

India's Largest **Web** and **AI** developer
Conference

11-12 April 2025, Gurgaon- India

AI-India is a dedicated conference focused on **developers and technology leaders working in Artificial Intelligence**, and **2026 will mark its inaugural edition**.

<https://www.ai-india.ai/home>

ng-India is India's largest web developer conference and will host its **8th edition**, bringing together thousands of developers, architects, and technology leaders from across the country.

<https://www.ng-ind.com/home>

Together, ng-India and AI-India represent a unique platform to engage with India's growing and highly skilled developer community, foster innovation, and shape the future of web and AI development.

Our mission is to empower aspiring developers by preparing them to be job-ready while ensuring ng-India and AI-India remain financially accessible to all. To achieve this, we keep our ticket prices affordable, starting at just **\$50**.

Why Sponsor ng-India & AI-India?

Sponsoring **ng-India** and **AI-India** gives your brand the opportunity to:

- Gain strong visibility among India's top developers and engineering leaders.
- Showcase your developer tools, platforms, and solutions to decision-makers and influencers.

- Attract high-quality tech talent by positioning your organization at the forefront of innovation.
- Promote your products—such as frameworks, platforms, IDEs, or AI tools—to a highly skilled technical audience.
- Connect with serious developers, architects, managers, and tech leaders.
- Network with Indian companies building large-scale, enterprise-grade applications.
- Be recognized and trusted within India's growing developer and AI communities.

Leverage this powerful platform to expand your reach, strengthen your brand, and make a lasting impact in the developer ecosystem.

Make your Brand, Product, or Company visible to the best Angular and JavaScript developers in India

AI-India is India's first **developer-focused AI conference**, launching its **inaugural edition** in 2026. The conference brings together AI developers, engineering leaders, and practitioners to share practical knowledge, real-world experiences, and cutting-edge ideas around building with AI. Join us to learn from experts, explore modern AI tools and platforms, connect with like-minded developers, hire talent, and get inspired to build the next generation of intelligent applications.

The 2026 edition is the 1st edition. Know more about it here - <https://www.ai-india.ai/home>

ng-India is one of the world's largest Angular and web development conferences. Every year, it brings together over 500 web developers, including experts like GDEs, authors, MVPs, and open-source contributors from 15+ countries. Join us to learn new things, meet amazing people, hire talent, and get inspired! Learn more about the previous ng-India events.

The 2026 edition is the 8th edition. Know more about it here - <https://www.ng-ind.com/home>
